

Escape to Tropical Key West

Balmy breezes, radiant sunsets and the laid-back charm of the Florida Keys promise fun and relaxation. Your adventure begins in Key West where you'll enjoy 4 lazy days and 3 magical nights at one of the island's most luxurious resorts. You'll feel like you belong there the moment your toes touch the sand as you sip frozen Margaritas and let soft island breezes sweep over you. Enjoy lazy strolls past palm shaded cottages, and explore quirky shops, art galleries and author Ernest Hemingway's tropical home. Then celebrate as the sun sets the sky on-fire before it sizzles into the Gulf of Mexico. Drop by for a drink at Hemingway's favorite bar, Sloppy Joes, then dine on fresh seafood or savory steaks at a casual cafe. Another day, you'll hop aboard a luxury catamaran for a cruise to the Dry Tortugas. Enjoy breakfast and lunch on board and spend the afternoon swimming, snorkeling, and exploring.

Your Tropical Escape to Key West for two includes roundtrip air, 3 nights' deluxe accommodations in America's only Caribbean island paradise, and your day-long catamaran cruise.
